

TRAINING PROGRAM FOR RUSSIAN MANAGERS

“General Economic Cooperation”

The Great Sphinx of Giza, Giza, Egypt

The Management Training Program for organizations of the national economy of the Russian Federation, a state professional retraining program in economics and management provided both for Russian senior and middle managers and business owners, has been executed since 1998 in accordance with Decree of the President of the Russian Federation No. 774 dated July 23, 1997 "On the Training of Managerial Personnel for Organizations of the National Economy of the Russian Federation".

In 2025, the Government of the Russian Federation extended the duration of the Program until 2030.

The key objectives of the Program are to provide the economy with highly qualified management personnel, increase the competitiveness of Russian enterprises and organizations, and develop international cooperation.

The state customer of the Program is the Ministry of Economic Development of the Russian Federation.

<https://en.economy.gov.ru/>

The contractor of the Program is Federal budget-financed institution «Federal resources centre» of the Ministry of Economic Development of the Russian Federation.

<https://www.pprog.ru/>

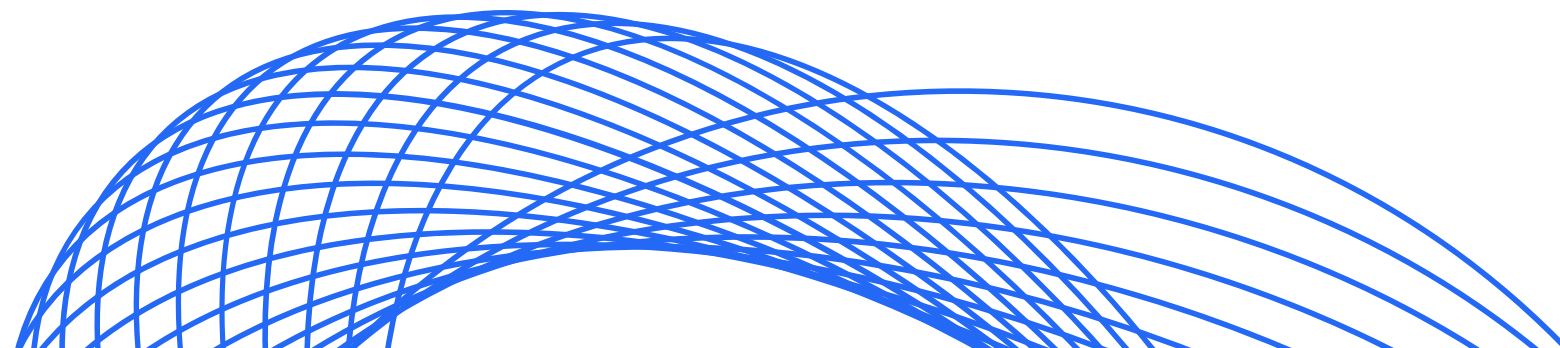

The operator of the Program is Federal State Funded Educational Institution for Higher Education Russian Foreign Trade Academy of the Ministry of Economic Development of the Russian Federation.

Federal State Funded Educational Institution for Higher Education Russian Foreign Trade Academy of the Ministry of Economic Development of the Russian Federation was determined as the contractor for organizing and conducting foreign internships in 2025 on a bid basis..
